ABOUT OUR SCHOOL

At DSR Kids, we believe every child's journey begins with wonder, discovery, and love.

Our story began with a simple dream — to create a place where children feel safe, cared for, and excited to learn every single day. Founded by passionate educators and parents who understood the deep need for a nurturing environment, DSR Kids was built to be more than just a preschool — it's a second home where little dreams grow into big possibilities.

Today, we are proud to be a trusted partner for families, offering programs that spark curiosity, build confidence, and celebrate the joyful spirit of childhood. With every smile, every milestone, and every small step, we are shaping tomorrow's bright minds.

Our Core Values

At DSR Kids, everything we do is guided by four powerful pillars:

Safety

A secure and caring environment where children can explore, grow, and express themselves freely.

Love

Every child is treated with warmth, kindness, and respect — building strong emotional bonds that support healthy development.

Learning

Learning comes alive through playful activities, hands-on experiences, and encouraging young minds to think, ask, and discover.

Play

We celebrate the magic of play — it's not just fun, it's how children build creativity, problem-solving, and lifelong friendships.

☀️ At DSR Kids, we don't just prepare children for school — we prepare them for life.

A safe place to learn, a loving hand to guide, a playful spirit to explore — that's the DSR Kids promise.
